

THE WALL

RECORDS

The Wall Records preserves **MEMORIES**.

Whether it's a favorite movie, a travel destination, a special person, a wedding, a pet, a family photograph, an original artwork, or a moment that changed someone's life—we help people turn memories into something they can see every day.

People don't buy posters.

They buy:

- Nostalgia
- Identity
- Inspiration
- Personal stories
- Moments they never want to forget

The Wall Records should be positioned as:

"A place where memories become wall-worthy."
